“A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne’s own.”—Ron Charles, The Washington Post

**NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE**

Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn’t have is talent—but he’s not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don’t need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice’s first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . Sweeping across the late twentieth century, A Ladder to the Sky is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso. Praise for A Ladder to
the Sky “Boyne's mastery of perspective, last seen in The Heart's Invisible Furies, works beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a new layer of calumny he's willing to engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading A Ladder to the Sky as much as you definitely will enjoy reading it.”—NPR “Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?”—Vanity Fair

Lady Caroline Lamb
The Literary World

We have all surrendered ourselves to the world that writing creates. Eudora Welty once observed that her mother read the works of Charles Dickens in the same spirit with which she would have eloped with him. Some of us remember our first novel with more pleasurable vividness than our first kiss. Many of us go to on-line chat rooms, looking for love with our keyboard. And most of us have tried to seduce with words—reciting that Shakespeare sonnet or composing that Valentine's Day poem with tremulous hope. All writing seeks to ensnare the reader in its embrace. As Frances Wilson also proves in this engaging, enlightening, and provocative new book, writing can also ensnare the writers themselves. Highlighting the lives and loves of celebrated literary couples, Literary Seductions reveals the depth of their passion for language—their own as well as their partner's. Taking as a point of departure the legendary courtship of Robert Browning and Elizabeth Barrett, a courtship conceived on the printed page, Wilson explores how easily, how seductively, literary desire becomes sexual desire and vice versa. "Literary seductions," she writes, are "violent, extreme, and irreversible." Not all reading seduces, not all writing inflames. But when they do, what is written ceases to be merely an arrangement of symbols on a page. The word has been made flesh. Lady Caroline Lamb and Lord Byron, Anaïs Nin and Henry Miller, Laura Riding and Robert Graves, Osip and Nadzheda Mandelstam, W. B. and Georgie Yeats were all in the grip of a compulsion for writing and reading, enmeshed in words. Miller called his relationship with Nin, a "literary fuck-fest"; for Riding and Graves, it took on the self-destructive (and self-conscious)
melodrama of a Russian novel; for the Mandelstams, it was a life-giving (if self-sacrificing) bond in a precarious world; for George and W. B. Yeats, it offered sexual stimulus. The couplings of verbs and nouns do more than precede coupling; they comprise it. Literary Seductions is itself a seductive book. The elegant power of Wilson's arguments, the rigor of her research, and the delights of her prose enthrall the reader. Here is intellectual engagement and readerly pleasure rolled into one.

The Huntington Library Quarterly

These two fragments of novels, Ingeborg Bachmann's only untranslated works of fiction, were intended to follow the widely acclaimed Malina in a cycle to be entitled Todesarten, or Ways of Dying. Although Bachmann died before completing them, The Book of Franza and Requiem for Fanny Goldmann stand on their own, continuing Bachmann's tradition of using language to confront the disease plaguing human relationships. Through the tales of two women in postwar Austria, Bachmann explores the ways of dying inflicted upon the living from outside and from within, through history, politics, religion, family, gender relations, and the self. Bachmann's allegiance to the twin muses of memory and history, as well as her perception of fascism as not being limited to the context of the war but also existing within the intimate relations of everyday life between husbands and wives, brothers and sisters, psychiatrists and patients' are supremely evident in The Book of Franza. Here, Bachmann follows a woman who escapes from a sanitorium and, after years of silence, sends her brother a cryptic telegram. Rightly suspecting that she has fled her sadistic husband -- a renowned Austrian psychiatrist whose intimate relations have merged with his studies of concentration camps -- her brother finds her in their childhood home. Together they travel to Egypt, where Franza slowly begins to regain her bearings. But Franza's desire to cleanse herself by journeying into the heart of the desert's void ends in tragedy, as she becomes the victim of a horrible act of violence. Unlike Franza, who attempts to flee her past but fails, the heroine of Requiem for Fanny Goldmann makes no attempt to escape her history. This novel tells of the demise
of a Viennese actress who is manipulated by a younger, ambitious playwright to advance his career. Deception follows disloyalty; the final treachery comes when the playwright portrays her in a novel, which secures his fame and, in Fanny's eyes, robs her of her future. Caught in a perpetual stasis, Fanny suffers in total obscurity, as her present is stolen from her as well. Whether analyzing the place where the self begins and the power of history ends or the ways in which women are forced to be complicit in their mistreatment at the hands of men, Bachmann's critical approach to the human psyche is unparalleled. Mesmerizing and profound, The Book of Franza and Requiem for Fanny Goldmann constitute the final evidence that Ingeborg Bachmann is the most important female German-language writer of the postwar period.

Thomas De Quincey was an obsessive. He was obsessed with Wordsworth and Coleridge, whose Lyrical Ballads provided the script to his life, and by the idea of sudden death. Running away from school to pursue the two poets, De Quincey insinuated himself into their world. Basing his sensibility on Wordsworth’s and his character on Coleridge’s, he forged a triangle of unusual psychological complexity. Aged twenty-four, De Quincey replaced Wordsworth as the tenant of Dove Cottage, the poet’s former residence in Grasmere. In this idyllic spot he followed the reports of the notorious Ratcliffe Highway murders of 1811, when two families, including a baby, were butchered in their own homes. In his opium-soaked imagination the murderer became a poet while the poet became a murderer. Embedded in On Murder as One of the Fine Arts, De Quincey’s brilliant series of essays, Frances Wilson finds the startling story of his relationships with Wordsworth and Coleridge. Opium was the making of De Quincey, allowing him to dissolve self-conflict, eliminate self-recrimination, and divest himself of guilt. Opium also allowed him to write, and under the pseudonym “The Opium-Eater” De Quincey emerged as the strangest and most original journalist of his age. His influence has been considerable. Poe became his double; Dostoevsky went into exile with Confessions of an English Opium-Eater in his pocket; and Charles Dickens, Oscar Wilde, George Orwell, Alfred Hitchcock, and Vladimir Nabokov were all De Quincey devotees. There have been other biographies of Thomas De Quincey, but Guilty Thing is the first to be animated by the spirit of De Quincey himself. Following the growth of his obsessions from seed to full flowering and tracing the ways they intertwined, Frances Wilson finds the master key to De Quincey’s vast Piranesian mind. Unraveling a tale of hero worship and revenge, Guilty Thing brings the last of the Romantics roaring back to life and firmly establishes Wilson as one of our foremost contemporary biographers.

Described by the writer and opium addict Thomas De Quincey as "the very wildest . . . person I have ever known," Dorothy Wordsworth was neither the self-effacing spinster nor the sacrificial saint
of common telling. A brilliant stylist in her own right, Dorothy was at the center of the Romantic movement of the early nineteenth century. She was her brother William Wordsworth's inspiration, aide, and most valued reader, and a friend to Coleridge; both borrowed from her observations of the world for their own poems. William wrote of her, "She gave me eyes, she gave me ears." In order to remain at her brother's side, Dorothy sacrificed both marriage and comfort, jealously guarding their close-knit domesticity—one marked by a startling freedom from social convention. In the famed Grasmere Journals, Dorothy kept a record of this idyllic life together. The tale that unfolds through her brief, electric entries reveals an intense bond between brother and sister, culminating in Dorothy's dramatic collapse on the day of William's wedding to their childhood friend Mary Hutchinson. Dorothy lived out the rest of her years with her brother and Mary. The woman who strode the hills in all hours and all weathers would eventually retreat into the house for the last three decades of her life. In this succinct, arresting biography, Frances Wilson reveals Dorothy in all her complexity. From the coiled tension of Dorothy's journals, she unleashes the rich emotional life of a woman determined to live on her own terms, and honors her impact on the key figures of Romanticism.
